

LUCY IN THE SKY WINES

This wine list has been compiled by our beloved sommelier Pekka Koiranen, and the first ever sommelier in Finland.

Of course, back then they were called wine masters, none of that fancy French wording then!

Mr. Koiranen has created a tantalizing mix of old favorites and new gems. We have over 200 wines on our list.

Sit back, take a sip and enjoy the ride.

FROM OUR VEEERY SPECIAL CELLAR

Below you'll find some extra special bottles I have picked out for you. To be honest I would rather drink these myself, but since my boss said these need to be shared with the customers, here you go.

These are some rare finds you won't get to experience every day, or even every year – if you know you know. And if you don't know feel free to ask, I'd love to tell you more.

- Pekka Koiranen
